Dear XXXX

This agreement ("Agreement") is made and entered by and between (XXXX), ("Collaborator") and the Forum for Collaborative HIV Research (the "Forum") and is effective as of the date of Collaborator's signature below.

Collaborator is invited to participate in Forum's Resistance Working group as it relates to the Forum project on Standardization and Clinical Relevance of HIV Drug Resistance using the RESIST Dataset provided by Boehringer Ingelheim. As apart of the Forum's Resistance Working Group, Collaborator will have access to RESIST dataset set.

As a participant of the working group, Collaborator will adhere to the conditions and restrictions described in the Project Plan, and not publish results of analyses undertaken by Collaborator other than as described by the Project Plan. Specifically, Collaborator agrees not to individually, directly or indirectly, use, publish, disseminate or disclose any Confidential Information provided by Boehringer Ingelheim without prior written consent of Boehringer Ingelheim and the Forum's HIV Drug Resistance Working Group Review Committee.

By signing below, Collaborator attests to understanding and agreeing to the conditions listed above.
